What is this product?

Type: Shares of a Sub-Fund of Amundi Alternative Funds PLC, a Public Limited Company.

Term: The term of the Sub-Fund is unlimited. The Management Company may terminate the fund by liquidation or merger with another fund in accordance with legal requirements.

Objectives: The Sub-Fund is an active UCITS and is not managed in reference to a benchmark.

The Manager, Amundi Asset Management, has appointed Winton Capital Management Limited as Sub-Investment Manager.

The investment objective of the Sub-Fund is to seek capital appreciation over the medium to long term. The Sub-Fund seeks to achieve this objective by pursuing a diversified investment strategy (i) that does not necessarily rely upon favourable conditions in any market, or on market direction and (ii) that trades (on a long and short basis) in a number of different instruments including debt, equity, interest rates and foreign exchange instruments for currency hedging and investment purposes. Financial derivative instruments (listed futures, forwards, over-the-counter contracts and/or options) are used to get exposure to those underlying assets.

Intended Retail Investor: This product is intended for investors, with an average knowledge of and some experience of investing in funds, with the ability to bear losses up to the amount invested.

Redemption and Dealing: Shares may be sold (redeemed) as stated in the prospectus at the respective dealing price (net asset value). Further details are provided in the Amundi Alternative Funds PLC prospectus.

Distribution Policy: As this is a non-distributing share class, investment income is reinvested.

More Information: You may get further information about the Sub-Fund, including the prospectus, and financial reports which are available at and free of charge on request from: Amundi Asset Management at 91-93 boulevard Pasteur, 75015 Paris, France. The Net Asset Value of the Sub-Fund is available on www.amundi.ie

Depository: CACEIS Bank, Ireland Branch.

Scenarios	If you exit after	
	1 year	5 years*
Total Costs	\$969	\$1,671
Annual Cost Impact**	9.8%	3.5%

* Recommended holding period.

** This illustrates how costs reduce your return each year over the holding period. For example it shows that if you exit at the recommended holding period your average return per year is projected to be 0.71% before costs and -2.81% after costs.

These figures include the maximum distribution fee that the person selling you the product may charge (5.00% of amount invested / 500 USD). This person will inform you of the actual distribution fee.

If you are invested in this product as part of an insurance contract, the costs shown do not include additional costs that you could potentially bear.

COMPOSITION OF COSTS

One-off costs upon entry or exit		If you exit after 1 year
Entry costs	This includes distribution costs of 5.00% of amount invested. This is the most you will be charged. The person selling you the product will inform you of the actual charge.	Up to 500 USD
Exit costs	A maximum of 3.00% of your investment before it is paid out to you can be charged. The person selling you the product will inform you of the actual charge.	285.00 USD
Ongoing costs taken each year		
Management fees and other administrative or operating costs	1.07% of the value of your investment per year. This percentage is based on actual costs over the last year.	101.65 USD
Transaction costs	0.62% of the value of your investment per year. This is an estimate of the cost of buying and selling the underlying investments for the product. The actual amount depends on how much we buy and sell.	59.13 USD
Incidental costs taken under specific conditions		
Performance fees	18.00% annual outperformance of the reference asset . The calculation applies on each Net Asset Value calculation date in accordance with the terms described in the prospectus. Past underperformances over the last 5 years should be clawed back before any new accrual of performance fee. The actual amount will vary depending on how well your investment performs. The aggregated cost estimation above includes the average over the last 5 years. The performance fee is paid even if the performance of the share over the performance observation period is negative, while remaining higher than the performance of the Reference Asset.	24.00 USD

How long should I hold it and can I take money out early?

Recommended holding period: 5 years is based on our assessment of the risk and reward characteristics and costs of the Sub-Fund.
