What is this product?

Type: Shares of a Sub-Fund of Amundi Funds Solutions ICAV, an Undertaking for Collective Investments in Transferable Securities (UCITS), established as an ICAV.

Term: The term of the Sub-Fund is unlimited. The Management Company may terminate the fund by liquidation or merger with another fund in accordance with legal requirements.

Objectives: The Sub-Fund is a financial product that promotes ESG characteristics pursuant to Article 8 of the Disclosure Regulation.

The Sub-Fund seeks to increase the value of investment and to provide income over the recommended holding period.

The Sub-Fund seeks to achieve its investment objective by investing mainly in Euro denominated Investment Grade corporate and government bonds (fixed or floating rate), that are listed or traded on a Permitted Market. The Sub-Fund may invest up to 10% of its assets in Euro denominated Investment Grade Emerging Markets corporate bonds.

The maturity of the above listed instruments will be not longer than 10 years.

The Fund may also hold cash and instruments that may be readily converted to cash (including cash deposits, European treasury bills and government bonds, short-term corporate bonds, commercial paper, short term Money Market Instruments and certificates of deposit).

The Sub-Fund will not use derivatives. The Sub-Fund is actively managed and is not managed in reference to a benchmark.

The Sub-Fund integrates Sustainability Risks and Sustainability Factors in its investment process and considers principle adverse impacts as outlined in more detail in the sections of the Prospectus entitled "Overview of Responsible Investment Policy" and "Sustainable Investment Risk". The Investment Manager determines the investable universe for the Sub-Fund using an investment process which is based on a combination of a bottom up analysis of an issuer and its industry's fundamentals and a top-down analysis of macroeconomic developments to manage the overall portfolio risk.

Intended Retail Investor: This product is intended for investors, with a basic knowledge of and no or limited experience of investing in funds seeking to increase the value of their investment and to receive income over the recommended holding period with the ability to bear losses up to the amount invested.

Redemption and Dealing: Shares may be sold (redeemed) as stated in the prospectus at the respective dealing price (net asset value). Further details are provided in the Amundi Funds Solutions ICAV prospectus.

Distribution Policy: As this is a non-distributing share class, investment income is reinvested.

More Information: You may get further information about the Sub-Fund, including the prospectus, and financial reports which are available at and free of charge on request from: Amundi Ireland Limited at AMUNDI IRELAND LIMITED, One George's Quay Plaza, George's Quay, Dublin 2, Ireland. The Net Asset Value of the Sub-Fund is available on www.amundi.ie

Depository: Société Générale S.A., Dublin Branch.

What are the risks and what could I get in return?

RISK INDICATOR

The summary risk indicator is a guide to the level of risk of this product compared to other products. It shows how likely it is that the product will lose money because of movement in the markets or because we are not able to pay you.

We have classified this product as 3 out of 7, which is medium-low risk class. This rates the potential losses from future performance at a medium-low level, and poor market conditions are unlikely impact our capacity to pay you.

Additional risks: Market liquidity risk could amplify the variation of product performances.

This product does not include any protection from future market performance so you could lose some or all of your investment.

Beside the risks included in the risk indicator, other risks may affect the Sub-Fund's performance. Please refer to the Amundi Funds Solutions ICAV prospectus.
