What is this product ?

Type: Shares of a Sub-Fund of PI Solutions (the « Product »), an investment company with variable share capital (société d'investissement à capital variable - SICAV) subject to Part II of the Luxembourg law of 17 December 2010 ("2010 Law"). The Fund qualifies as an alternative investment fund ("AIF") within the meaning of the Alternative Investment Fund Managers and amending Directives ("AIFMD"). The Product qualifies as a European long-term investment fund ("ELTIF") pursuant to the Regulation (EU) 2015/760 of the European Parliament and of the Council of 29 April 2015 on European long-term investment funds (the "ELTIF Regulation").

Term: The Product will terminate on the ninety-ninth anniversary from its authorization date, but may be extended for one (1) year at the discretion of the Board of Directors or subject to earlier termination upon full realization of the Product's portfolio.

Objectives: The Product's objective is to generate attractive risk-adjusted returns and achieve long-term capital growth by investing in private equity, private infrastructure and private debt opportunities with a high level of diversification and with a focus on assets favoring digital, environmental, energy and societal transitions. The Sub-Fund will create in respect of each respective pocket a diversified portfolio of investments by way of taking participations in equity, quasi-equity or debt instruments issued by qualifying portfolio undertakings (within the meaning of the ELTIF Regulation) or otherwise by investing in collective or financial undertaking investing in Qualifying Portfolio Undertakings.

As an ELTIF, the Product may invest in long-term assets, meaning assets that are typically of an illiquid nature, require patient capital based on commitments made for a considerable period of time, often provide late return on investment and generally have an economic profile of a long-term nature. The Product will itself be, and an investment in the Sub-Fund should be viewed by investors, as long term in nature.

The Sub-Fund aims at creating a diversified portfolio of investments from both the primary and secondary markets by investing, either directly or indirectly through a Subsidiary, by way of sub-participations or otherwise:

- (i) in private equity infrastructure instruments;
- (ii) in private equity instruments; and/or
- (iii) in private debt instruments.

all of which, taken together, constitutes the "Portfolio Assets".

The Product's exposure to the Portfolio Assets will be obtained through various transaction types including but not restricted to:

- Primary fund transactions: the Product will invest in close-ended collective investment undertakings during their initial marketing period and in open-ended collective investment undertakings;
- Secondary transactions: the Product will purchase directly or indirectly shares of fully or partially invested collective investment undertakings and buy assets from asset managers directly or indirectly including through continuation collective investment undertakings;
- Co-investments: the Product will co-invest alongside other fund managers as a minority holder, generally through a fund structure; or

- Direct investments: the Product will invest in direct private assets transactions including unlisted debt or equity instruments and/or equity of listed small capitalization companies.

The Product may pursue its investment policy through a Subsidiary. "Subsidiary" means any legal structure established for the purposes of investing in the underlying assets and which is controlled directly or indirectly by the SICAV or by the Management Company on behalf of the SICAV.

The Product will not grant any loans.

The Product will be permitted to invest in portfolio undertakings that are established in Eligible Jurisdictions as defined in the supplement of the Product.

The Product reserves the right to reduce, increase or divest such investments as it deems appropriate throughout the life of the Product in accordance with ELTIF Regulation.

For the avoidance of doubt, the Product has been established in line with the aims the Amended ELTIF Regulation as defined in the principal placement memorandum of the Product.

The Product is a financial product that promotes ESG characteristics pursuant to Article 8 of the Disclosure Regulation (Regulation 2019-2088).

Intended retail investor: A Retail Investor, provided that an assessment of suitability has been carried out within the meaning of article 30 of the Amended ELTIF Regulation or where such assessment does not apply pursuant to article 30 (3) of the Amended ELTIF Regulation.

Redemption and Dealing: Shares may be sold (redeemed) as stated in the supplement at the respective dealing price (net asset value per share) as of the last Business Day of each quarter.

Further details are provided in the Product supplement.

How long should I hold it and can I take my money out early?

Recommended holding period: 5 years is based on our assessment of the risk and reward characteristics and costs of the Sub-Fund.

This Product does not have a minimum holding period, but is designed for long-term investment. From an economic point of view, it is therefore recommended to stay invested for at least five years.

The right of investors to redeem shares and the share value to be paid out is subject to various restrictions:

*Aggregate redemptions will be limited at each redemption date to the lower of (i) 5% of the total assets of the Sub-Fund and (ii) 50% of the value of the Sub-Fund's UCITS Eligible Assets, including available cash and investment proceed (the "Permissible Early Redemption Amount").

Should redemption requests in respect of any Redemption Date exceed the Permissible Early Redemption Amount, then the requests will be satisfied on a pro rata basis and the outstanding request will be canceled.

Redemption proceeds will be paid as soon as reasonably practicable after ascertaining the Net Asset Value as of the relevant **redemption Date**.

Order Schedule: Orders to redeem shares must be received before 14:00 Luxembourg time on the Valuation Day preceding the last business day of the quarter.

Please refer to the PI Solutions Prospectus for further details regarding redemptions.
